***Call to Worship**

Payton Easterling and Congregation

We come this morning full of ourselves: our concerns, our plans, our opinions, our schedules.

In this moment, help us empty our minds of the relentless 'I' and make space for you.

Enable us to put down our priorities; to set aside our assumption and schemes.

Open our hearts to recognize your love in action in our lives.

Turn our focus to you, Lord, so that we might worship you and share your love with those around us.

Reassure us of your divine vision and let us rest in your unending care. Amen.

Dr. Keva Green and Congregation

Lord, we are beyond blessed by all that you have given us. We thank you and praise your mighty name.

Help us to graciously and generously take all that we have been given and faithfully return your portion

to you so that others might experience your love. May we be witnesses to those around us that you

are a loving God, and may they praise your name because of our actions and giving. In everything we

do, may we share your love. In the name of Jesus Christ our Lord. Amen.
